Clean + Rinse + Dry = A Sink That Makes Sense

With the Advocate<sup>®</sup>, everything's within reach for the ultimate in convenience, comfort, and safety.

## Soap

- Touch-free activation
- Extra-large capacity—for fewer refills
- Top fill dispenser—easier to refill, saves time and money
- Low-level LED indicators let maintenance staff know when to refill
- Audible overflow protection

## Faucet

- Touch-free activation
- 0.38 GPM / 1.4 LPM provides 24% water savings over standard models
- Above deck access to sensors makes maintenance easy

## Dryer

- Touch-free activation
- Voltages for US and International applications
- Creates safer environment by keeping water off the floor
- Illuminated, ergonomic and dual-sided; dries hands in 15 seconds or less
- Design allows easier access for children and wheelchair users
- Lower noise level than most dryers
- UL certified

## Basin

- Made from Terreon<sup>®</sup> solid surface
- ANSI and GREENGUARD certified
- Available in 19 colors
- Easy to clean, maintain, and is field repairable if chipped or scratched

## Use in a variety of applications.

This innovative solution for commercial washrooms is ADA compliant, making the groundbreaking Advocate Handwashing System perfect for:

- Airports
- Aquariums and Museums
- Banks and Credit Unions
- Colleges and Universities
- Convenience Stores
- Entertainment and Amusement Centers
- Healthcare and Office Buildings
- Restaurants and Retail
- Travel Plazas

### Save on Maintenance:

- Less time filling paper towel dispensers
- Less time emptying waste bins
- Less time filling soap dispensers

### Save Money:

- With the built-in dryer system, paper towel expenses can be reduced or eliminated, helping save tens of thousands of dollars annually.
