

# ROCKWOOD INTRODUCES THE MARITEK COLLECTION

## COMFORT IS IN THE GRIP

Rockwood is proud to announce the addition of the MariTek Collection to their architectural door pull line. The collection's versatile design lends itself to contemporary or traditional environments depending on finish selection.

Its smooth, ergonomic grip is pleasing to the touch and is offered with two different post styles. Made from solid cast brass, these door pulls come in 7 architectural finishes and showcase the quality and durability you expect from Rockwood.

| Post      | Product Number | CTC | Finishes                                 |
|-----------|----------------|-----|--|
| Straight  | RM5700         | 6"  | US3, US4, US10B, US14, US15, US26, US26D |
| Standoffs | RM5702         | 12" | US3, US4, US10B, US14, US15, US26, US26D |

Accepting orders immediately with a standard lead time of 10 business days.

Please distribute this bulletin to everyone in your distributorship who specifies and/or purchases Rockwood products. Insert this bulletin into the Architectural Pull section of your Rockwood complete binder. See the attached letter for pricing information.

For additional information contact your local sales representative, ASSA ABLOY Door Security Solutions Representative, call Rockwood at 800-458-2424, or visit [www.rockwoodmfg.com](http://www.rockwoodmfg.com).

## the good design studio

Together with complementary levers from CORBIN RUSSWIN (105 & 122) and SARGENT (MA & MM), and olive knuckle hinge from MCKINNEY (TA3383), ROCKWOOD's MariTek pulls are part of The Good Design Studio from ASSA ABLOY.

The Good Design Studio - your resource for beautiful doors, frames and hardware from ASSA ABLOY Group brands. Visit us online at [www.thegooddesignstudio.com](http://www.thegooddesignstudio.com).
