

Schlage Sliding Barn Door Hardware with **J Shape Hangers** adds a stylish architectural touch to any home. Sliding doors add privacy to open doorways and save space by preventing swinging doors from opening into walkways.

Use a Schlage Sliding Barn Door Track Adapter to combine two kits for bi-parting doors or larger openings.

## FEATURES

- Affordable way to add privacy and style to open doorways
- Complete kit with easy to install mounting hardware and detailed instructions
- Durable steel construction meets highest industry standards with limited lifetime warranty
- Designed for single doors with wall openings up to 36 inches
- Use with 1-3/8in. to 1-3/4in. thick door weighing up to 220lbs
- Finishes coordinate easily with other home accents like lighting and plumbing fixtures
- Track adapter designed to combine Schlage sliding barn door tracks for bi-parting doors or openings larger than 36 inches
