TOILET PARTITIONS

BOBRICK

BUILDING VALUE SINCE 1906

SELECT THE BEST TOILET PARTITION SYSTEM FOR YOUR PROPERTY'S RESTROOMS.

P Prestige Buildings:
Low to moderate traffic
Minimal use and abuse
Architectural design
Quality materials

S Standard Use Buildings:
Moderate to heavy traffic
Some heavy use/abuse
Equipment durability
Budget-sensitive
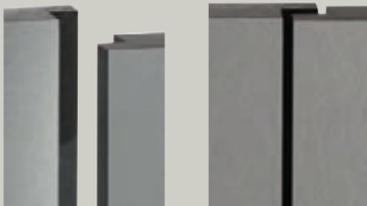

T Heavy Traffic Buildings:
Extreme traffic flows
Vandal-prone/abuse
Durability over design
Maintenance savings

NEW! TOILET PARTITION PRIVACY OPTIONS

Plan view of Gap-Free door-stile interlocks, not to scale.

Front views of Gap-Free partition doors, open and closed.

GAP-FREE PRIVACY DOORS AND STILES:

Interlocking design, no sight lines

Standard or optional full-height hardware

1090 Sierra and 1080/1180 DuraLine Series Option

Overhead-Braced, Ceiling-Hung, Floor-To-Ceiling; Floor-Anchored: 1080/1180 Series only

MAXIMUM-HEIGHT COMPARTMENTS:

72″ doors/panels, 4 $\frac{5}{16}$″ floor clearance

Standard or optional Full-Height hardware

1090 Sierra and 1080/1180 DuraLine Series Option

Overhead-Braced, Ceiling-Hung, Floor-To-Ceiling, Floor-Anchored; 1080/1180 Series only

BOBRICK

Bobrick Green

THE PRUDENT PROPERTY MANAGER'S BOTTOM LINE IS TWO SHADES OF GREEN.

BOBRICK GREEN℠

BEING GREEN AND SEEING GREEN℠

Bobrick is committed to assisting developers, architects and property managers in building and sustaining commercial properties with a sensitivity to long-term durability/functionality, and maintenance/replacement containment. Bobrick's toilet partition materials, in tandem with the Company's substantially recycled stainless steel restroom accessories, are testimony to Bobrick's dedication to helping customers be "green." The most important benefits are good corporate citizenship, positive community relations, and saving money.

Recycled Content LEED Category MR 4.1/4.2

Particle boards used in the fabrication of 1540, 1040 and 1030 Series Toilet Partitions are 100% recycled pre- and post-consumer waste.

Plastic laminate material used for the 1540, 1040, and 1030 Series is 22% recycled.

Solid phenolic material used for the 1080 and 1180 Series is 22% recycled.

Solid Color Reinforced Composite (SCRC) material used for the 1090 Series is 15% post-consumer and 15% post-industrial recycled content.

Local Regional Materials LEED Category MR 5.1/5.2.

Bobrick has four geographically dispersed regional toilet partition manufacturing and distribution centers.

Rapidly Renewable Material LEED Category MR 6.0.

Plastic Laminate is used for 1540, 1040 and 1030 Series.

Low Emitting Materials LEED Category EQ 4.4.

Wilsonart Plastic Laminate, Arborite Solid Phenolic and Trespa SCRC materials are GreenGuard® Certified.

The stainless steel toilet partition door hardware and mounting brackets of 1030, 1040, 1080, 1090 and 1180 Series are manufactured with type 304 stainless steel containing 50% to 70% post industrial recycled stainless steel content balanced with virgin iron and ferrous alloys.

Solid Color Reinforced Composite (SCRC)

1090 SierraSeries® SOLID COLOR REINFORCED COMPOSITE (SCRC) TOILET PARTITION SYSTEM

Heavy traffic restrooms

Solid color clear through

Superior durability/repairability

Non-ghosting graffiti removal

Class B ASTM E84 Interior Wall and Ceiling Finish Classification

LEED Program contribution

Scratch-, dent-, moisture- and impact-resistant

10-day Rapid⚡Response® Program: 4 earthtone colors

10–year Limited Warranty

Doors, stiles ¾″ (19mm) thick

Panels ½″ (13mm) thick

Dyed wood fibrous material

Reinforced with polycarbonate and phenolic resins

BOBRICK

STANDARD CONCEALED STAINLESS STEEL HARDWARE

Heavy-gauge type 304 satin-finish stainless steel

Three robust, barrel hinges adjust for partial opening or self closing

Through-bolted panel-to-stile brackets

Reinforced latch, through-bolted keeper

Vandal-resistant door stops

Through-bolted clothes hook

Emergency access door lifts from outside except on outswing door

OPTIONAL FULL-HEIGHT STAINLESS STEEL HARDWARE

Heavy-gauge type 304 satin-finish stainless steel

Self-closing hinge runs full height of door

Through-bolted panel-to-stile angle brackets and U-channels run full height of panels

Vandal-resistant door stops; clothes hook

Reinforced latch with through-bolted keeper

Emergency access door lifts from outside except on outswing door

Add suffix .67 to 1092 Series Number

STILE BASE LEVELING DEVICE

7-gauge steel angle leveling bar factory-installed to stile

⅜″ (10mm) diameter stainless steel wedge floor anchors

Patented one-piece shoe conceals stile leveling device

STANDARD FACTORY-INSTALLED INSERTS, THROUGH-BOLTED HARDWARE

Threaded brass inserts provide metal-to-metal contact for securing door hardware

Through-bolted fasteners attach panel-to-stile brackets, clothes hooks and latch keepers

Vandal-resistant Pin-in-Head Torx Screws

10-DAY RAPID⚡RESPONSE PROGRAM

• 25 compartments
• Ship 10 workdays after order approval; no extra charge
• 4 standard colors
• Three mounting configurations, two hardware options
• Excludes Gap-Free, Maximum-Height Privacy Options

HOW TO ORDER:

1. Pick the color.
2. Select mounting configuration (1090 Series is available in three mounting configurations).
3. Choose the hardware desired: Standard Concealed or Optional Full-Height.
4. Choose the privacy option(s) desired: Gap-Free and/or Maximum-Height.
5. Example: Terra Cotta, Overhead-Braced, Full-Height Hardware, Gap-Free: 1092G.67, SC03.

EARTHTONE COLOR COLLECTION

Now you can brighten your restrooms with SierraSeries contemporary earthtones, and with GraffitiOff Surface you no longer need black toilet partitions to minimize the partial or unsuccessful removal of graffiti.

SC01 Golden Khaki   SC02 Desert Beige   SC03 Terra Cotta   SC04 Forest Green

IMPORTANT NOTE: Minor edge nicks and random color variations are a normal consequence of manufacturing material containing natural fibers. SierraSeries Solid Color Reinforced Composite (SCRC) colors are printed reproductions and are for descriptive purposes only. Request actual color samples for color confirmation.

1090 SierraSeries PRODUCT SELECTION:

Mounting Configuration	Standard Hardware	Gap-Free	Optional Full-Height Hardware	Gap-Free

20-day Fast⚡Color™ Plastic Laminate Program: 400+ colors and patterns (See page 19)

1-year Limited Warranty

STANDARD THROUGH-BOLTED ZAMAK HARDWARE

Hinges, latch, keeper, coat hook, mounting hardware are polished chrome-plated Zamak. For emergency access door lifts from outside. Patented one-piece stainless steel shoe conceals stile leveling device.

OPTIONAL THROUGH-BOLTED STAINLESS STEEL HARDWARE

Heavy-duty, cast type 304 stainless steel hinges, clothes hook, emergency access door keeper. Stainless steel mounting brackets and shoe. Add suffix .64 to 1540 Series Number.

STANDARD OVERHEAD-BRACED STILE BASE, LEVELING DEVICE

12-gauge plated steel brackets attached to bottom of stile. Furnished with leveling bolt, floor "L" brackets, screws, plastic anchors.

STANDARD FLOOR-ANCHORED STILE BASE, LEVELING DEVICE

$3/8''$ (10mm) thick plated steel leveling bar factory-installed to stile. Furnished with $3/8''$ (10mm) diameter stainless steel wedge floor anchors.

OPTIONAL STEEL-CORE STILE AND WELDED LEVELING DEVICE

11-gauge steel stile core welded to $3/8''$ (10mm) thick plated steel leveling bar forms single structural unit. Add suffix .63 to 1540 Series Number.

DESIGNER'S NOTE:

Classic, Designer and TrimLine Series are not recommended for heavy traffic and vandal-prone restrooms, moisture-prone spaces or hose-down maintenance. SierraSeries and DuraLineSeries toilet partitions are recommended for these restroom conditions.

BOBRICK PRODUCT WARRANTIES AND LIMITATIONS:

Product Warranties
The following Bobrick toilet partition panels, doors and stiles are warranted against breakage, corrosion, delamination and defects in workmanship from the date of purchase for the periods set forth below (this limited warranty is conditioned on the toilet partitions being properly installed, used and serviced):

Toilet Partitions	Limited Warranty
SierraSeries, 1090	10 years
DuraLineSeries, 1080/1180	15 years
Toilet Partition Series not otherwise listed (i.e., TrimLine, Designer, ClassicSeries)	1 year

Hardware for all series of Bobrick toilet partitions is warranted to be free from defects in workmanship and material under normal usage service for one year from the date of purchase. (Rust and discoloration to stainless steel parts resulting from exposure to harsh environmental and/or chemical conditions are not considered to be defects in workmanship or material and there is no expressed or implied warranty provided for such condition. Refer to Bobrick Advisory Bulletin TB-21, Effective Ways to Clean Stainless Steel.)

Limitations on Warranties
In all instances, the purchaser's exclusive remedy against Bobrick is for the repair or replacement, at Bobrick's option, of warranted defective products or parts. Bobrick will also bear the cost of the purchaser's return of defective products or parts to Bobrick. Bobrick's warranties set forth above do not cover damage resulting from vandalism. No other remedy (including, but not limited to, damages for field labor charges, lost profits, lost sales, injury to persons or property or any other incidental or consequential losses) is available.
